An entire Caribbean resort is yours to experience - and it's totally beautiful. Overlooking a pristine white-sand beach and the improbably blue sea, the Paradisus Palma Real Golf & Spa Resort takes the concept of the luxury all-inclusive resort and turns it up ... way up.

This elegant, sprawling resort on gorgeous Bavaro Beach boasts incredible dining, lively bars and clubs, a huge range of daily activities and live entertainment every night. In short, as much fun as you can handle - and it's all included.

Spend your days lounging by the huge free-form swimming pool or lie on the beach as the waves kiss the sand. Pamper yourself in the stunning YHI Spa, go for a paddle, take a yoga class or play as much golf as you like.

The resort has so much to offer and we are going to enjoy it all in true Lordco style.
