

ESCAPE TO PARADISE

DOMINICAN REPUBLIC

SEPTEMBER 29 - OCTOBER 8, 2017

Picture a 32-kilometre stretch of beaches facing both the Atlantic and the Caribbean, a tropical paradise that's home to luxury resorts, fine dining, fun shopping, energetic nightlife and bucketloads of sunshine. That's Punta Cana, Dominican Republic.

Lordco will be taking over the Paradisus Palma Real Golf & Spa Resort on stunning Bávaro Beach, often ranked among the ten best beaches in the world. Palm trees wave gracefully above the beach; the water is clear, calm and very warm. It's the ideal place to play, party, or just relax and recharge.

Punta Cana, and particularly the Bávaro area, offers a multitude of recreational activities, from golf and tennis to hiking and even mountain biking.

Snorkelling, sailing, kayaking, diving and other water sports are top on the list for most visitors. Day tours can take you off the resort to see other parts of the country and experience fun activities such as ziplining, driving adventure buggies, riding horses, exploring caves and swimming with dolphins or even sharks.

Isle of Saona

Guided tours by catamaran or speedboat whisk visitors to this beautiful protected nature reserve for a day of relaxing and snorkelling.

Parque y Reserva Ecológica Ojos Indígenas

On a three-hour guided tour, experience freshwater lagoons, a petting zoo, an iguana farm and colourful gardens; you may see some of the reserve's 100 bird and insect species.

Altos de Chavón

A charmingly picturesque replica of a 16th-century Mediterranean village perched high above the Chavón River. The buildings, pathways and amphitheatre are hewn from local stone, while decorative metal work and carvings adorn the village.
