**THE RENOWNED
CANADIAN ROCKER WILL PERFORM
AN EXCLUSIVE SHOW AT THE RESORT.**

With 65 million records sold over his 30-year career, Adams is one of the most successful musicians of all time and certainly one of Canada's most famous rock stars, thanks to hits like "Cuts Like a Knife," "Summer of '69," "Run to You," and "(Everything I Do) I Do It For You." He has won 20 Junos and many other international music awards and been nominated for numerous Grammy, Golden Globe and Academy awards.

With incredible energy and showmanship, he and his band will crank the volume and blow your mind with a night that showcases all his best hits.

Seeing Adams live anywhere is unforgettable, but to be able to get up close and personal for a rocking, yet intimate show, is an experience you just can't get anywhere else. Picture yourself in the audience hearing some of the most defining songs of a generation from a true Canadian legend.
